HOUSE MOTION _____

MR. SPEAKER:

I move that House Bill 1659 be amended to read as follows:

- 1 Page 1, line 2, delete "The" and insert "(a) Except as provided in
 - 2 subsection (b), the".
 - 3 Page 1, after line 14, begin a new paragraph and insert:
 - 4 "(b) This subsection applies only to contracts between a board
 - 5 and a campground entered into or renewed after June 30, 2003. If
 - 6 a campground is billed for sewage service at a flat rate under
 - 7 subsection (a), the campground may instead elect to be billed for
 - 8 the sewage service under this subsection by installing, at the
 - 9 campground's expense, a meter to measure the actual amount of
 - 10 sewage discharged by the campground into the sewers for one (1)
 - 11 year. The highest monthly meter reading for the campground
 - 12 during the year shall be used to determine the resident equivalent
 - 13 units for the campground. The basic monthly charge for the
 - 14 campground's sewage service must be equal to the number of the
 - 15 campground's resident equivalent units multiplied by the rate
 - 16 charged by the board for a resident unit. The board may impose
 - 17 additional charges on a campground under this subsection if the
 - 18 board incurs additional costs that are caused by any unique factors
 - 19 that apply to providing sewage service for the campground,
 - 20 including:
 - 21 (1) installation of oversized pipe; and
 - 22 (2) the installation of any other unique equipment;
 - 23 necessary to provide sewage service for the campground.".
